Name: <Nubia Technology Co., Ltd.>  
Address: 6F, A TOWER, Hans Innovation Mansion, North Ring Rd, No.9018, High Tech Park, Nanshan  
City: Shenzhen.....  
Country: China.....

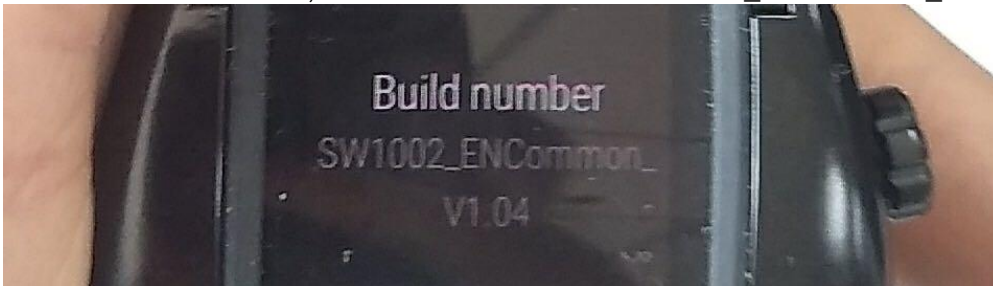

Declare that for the

Model name: SW1002  
FCC ID: 2AHJO-SW1002.....

WWAN function description is not supported:

The international version does not support the WWAN function, because the domestic version has this function, so the hardware is consistent with the domestic for the consistency of production. The international version of the software has blocked this feature. We can distinguish the international or domestic version from the Software Version "EN" or "CN".

For international version, the Software Version is **SW1002** **EN**Common\_V1.00;

For domestic version, the Software Version is **SW1002** **CN**Common\_V1.21.
