**Request for Confidentiality**

**Applicant: Bosch Automotive Service Solutions Inc.**

**FCC ID: 2AHLA-SP01500243**

To Whom It May Concern,

Request is hereby submitted by Bosch Automotive Service Solutions Inc to withhold permanently from public review certain portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR 0.457(d) and 0.459 of the FCC rules. In particular, the following sections of the application are to be kept permanently confidential:

- Schematics
- Detailed Block Diagrams
- Detailed operational/Functional Descriptions
- Bills of Materials

Rational for request for confidentiality:

Bosch Automotive Service Solutions Inc has invested considerable time and materials in research and development to produce the referenced product. Disclosure of the permanently confidential portions of this application to competitors would not only give competitors significant competitive advantages in development of similar products, but would also disclose successful implementation of this technology developed by Bosch Automotive Service Solutions Inc. Further we are not offering the reference product for sale to other OEMS.

Yours sincerely

Eric Vande Zande  
Senior Electrical Engineer
