Declaration letter of device functionality TAS700 BRA B-PLAT and C-PLAT

We, HARMAN, declare the functionality of our device, TAS700 BRA, regarding its Bluetooth Low Energy (BLE) support.

The TAS700 BRA device is equipped with a System on Chip (SoC) that supports Bluetooth Low Energy technology. However, we would like to declare that this functionality will be disabled via software. As the manufacturer of the TAS700 BRA device, we take compliance with FCC regulations very seriously. We assure you that the device will not permit the operation of the Bluetooth Low Energy feature as it will be intentionally disabled through software controls.

Product Model: TAS700 BRA
Versions: B-PLAT / C-PLAT
Product Type: Automotive infotainment head unit android based.
Manufacturer: HARMAN
Manufacturer's Address: Av. Cupiúba, 401 –
Distrito Industrial Manaus, Amazonas/Brasil 69075-060
Manufacturer's Contact Person: Patricia Souza
