To whom it may Concern:

Pursuant to the provisions of section 0.457 and 0.459 of Commission's rules (47CFR0.47, 0.459), Harman International Industries Incorporated hereby requesting the Commission to withhold the following attachment(s) as confidential from public disclosure indefinitely:

- ☒ Block Diagram
- ☒ Operational Description
- ☒ Parts List
- ☒ Tune-Up Procedure
- ☒ Schematics

The mentioned documents above contain detailed system and equipment description and related information about the product which Harman International Industries Incorporated considers to be proprietary, confidential and a custom design which otherwise would not be released to the public. Since the design is the basis from which future products may evolve, Harman International Industries Incorporated considers that this information would be of benefit to its competitors and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

In additional to above mentioned documents, pursuant to Public Notice DA 04-1705 of the Commission's policy, in order to comply with the marketing regulations in 47 CFT §2.803 and the importation rules in 47 CFR §2.1204, while ensuring that business sensitive information remains confidential until the actual marketing of newly authorized devices. We are requesting the commission to grant shot-term confidentiality request on the following attachment(s) for 180 days after the grant as outlined in Public Notice DA 04-1705.

- ☐ External Photos
- ☐ Internal Photos
- ☐ Test Setup Photos
- ☐ User Manual
