Re: FCC ID: 2AHPO-HWMS1

To Whom It May Concern:

The following C2PC application is submitted on behalf of our client, Enco Electronic Systems LLC for evaluation of their MODEL HWMS2 for certification under FCC Rule Part 15.231

This C2PC is to add the model variant HSMW2 which differs only by the moisture sensing circuits. There are no changes to the power or timing parameters.

The device was tested to the requirements of the FCC rules and was found to be in compliance.

Sincerely,
