

FCC Statement

This device complies with Part 15 of the FCC rules. Operation is subject to the following two conditions: 1) this device may not cause harmful interference, and 2) this device must accept any interference received, including interference that may cause undesired operation.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- --Reorient or relocate the receiving antenna.
- --Increase the separation between the equipment and receiver. --Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.

--Consult the dealer or an experienced radio/TV technician for help. Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

FCC Radiation Exposure Statement

This device complies with FCC RF radiation exposure limits set forth for an uncontrolled environment. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

Instruction Manual

You are welcome to purchase and use the company,s digital active speakers, to ensure the safe use of this product to achieve the best results, please read this manual carefully.

This product can be connected to PC, TV, CD, VCD, DVD, TUNER, TAPE, USB, TF, BT and other audio equipment, it is easy to carry, fully fun ctional perfect design, excellent sound quality performance, I belie ve will bring you New feeling.

Warmth prompt

When charging the unit, please turn off the power switch, so as not to appear the phenomenon of battery failure, do not use the ma chine for a long time, please every 30 days or so for the local cha rge and discharge time, so as not to use for a long time, resulting in battery capacity decline Or damaged.

Technical Parameters

- output Power:5W
- speaker unit:4inch*1
 - signal-to-noise ratio:≥85dB total harmonic distortion:≤0.05 1W

frequency response:40Hz-16Khz

impedance: 2 ohm

Press "PREVIOUS" to go back to previous frequency.
