

## radio controlled 360° rally car turbo tumbler®

### OPERATING INSTRUCTIONS

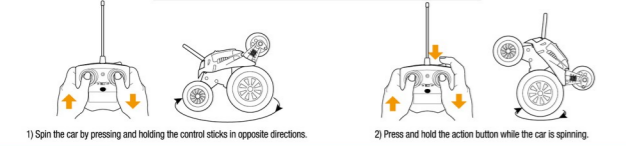

- Operation requires 4 "AA" 1.5V alkaline batteries (not included) for car and one 9V battery (not included) for remote control.
1. Carefully remove items from package.
  2. Locate the battery compartment on the back of each item (see diagram on right).
  3. Switched batteries on bottom of car to release battery pack and insert batteries.
  4. Switch both car and remote buttons to "ON" position.
  5. For best result use the car on hard surfaces such as wood or tile.

### GENERAL CONTROLS

### SPINNING ON REAR WHEEL (ACTION BUTTON)

### SAFETY PRECAUTIONS

- Do not operate during thunderstorms or rain.
- Avoid water, sand and snow when operating car.
- Do not submerge car or controller in water.
- Never operate your car on the street or highway.
- Never operate your car in a confined or crowded area, and do not use people or animals as obstacles.
- Do not run your car into furniture, objects or hard surfaces, as this will cause damage to both the objects and the car.
- Keep fingers, hair and loose clothing away from the tires, gears and motor while the car is switched to "ON".
- Do not leave car or transmitter near sources of heat or under direct sunlight for long periods of time.
- Do not leave car or transmitter outside overnight. Damages is harmful to plastic components.
- Remove all batteries when not in use to avoid accidental operation.
- Adult supervision is recommended when operating this car.

### BATTERY WARNING:

- Do not use old and new batteries.
- Do not use alkaline, standard carbon-zinc, or rechargeable batteries.
- Insert batteries using the correct polarity. Do not short-circuit the battery terminal.
- Remove batteries when not in use. Recycle or dispose of exhausted batteries according to local, state, and federal laws. Do not dispose of batteries in a fire. They may get or explode.
- Only use manufacturer approved batteries, chargers and/or adapters, if applicable, specified by the manufacturer.
- Always store, replace and recharge (if applicable) batteries under adult supervision.
