

	<p><b>Overview</b></p> <p>① Change EarTip</p> <p>Large, Middle, Small</p> <p>Multi-function Button(MFB)</p> <p>LED</p> <p>Mic</p> <p>Metal Contacts for Charging</p> <p>Middle EarTip is strongly suggested to try first as it fits most people.</p> <p>Adjust its end towards your mouth.</p>	<p><b>How to wear</b></p> <p>Tear off Insulated Sticker</p> <p>1. Tear off stickers on both units and plug units back to charging dock so as to activate your earphone.</p> <p>Notes: Supposing your earphones fail to be charged, please charge the dock via USB cable(you may refer to below instructions for more details).</p>	<p><b>Stereo Mode - Auto Pairing</b> (For maiden use)</p> <p>1. Take out the master unit(R), hold MFB for 5s to enter pairing mode. Now please wait for them auto connecting with each other(sharing audio/media).</p>	<p><b>Stereo Mode - Manual Pairing</b>(when two units fail to connect with each other automatically)</p> <p>1. At first, pair the master unit(R) with cellphone(for details you may refer to "Mono Mode - Master Unit(R)").</p>	<p>2. Once you finish the above process, please power off the master unit(R)(LED turns to red).</p>	<p><b>Facilities in Stereo Mode</b></p> <p>Power-on Hold MFB for 4s(LED turns to white).</p> <p>Power-off Supposing two units connect with each other and master unit(R) fails to work with cellphone, hold MFB on any of them for 5s(LED turns to red).</p> <p>Connect Two Units with Each Other and Play Media in both Units</p> <p>1.Take out master unit(R) from charging dock and hold MFB to enter pairing mode(LED will flash red and white), then get out the slave unit(L) from the dock and hold MFB to power on the unit(LED will be white for 1s). Please wait until LED flashes red and white again with voice prompt, now you have paired two units with each other.</p>	<p><b>Play Media in Both Units</b></p> <p>Hold for 3s</p> <p>3. Hold MFB for 3s until LED turns to white.</p> <p>Play/pause</p> <p>Supposing two units are connected with each other while the master unit(R) is connected with cellphone, you may tap MFB on any of two units to play or pause.</p>	<p><b>Facilities in Mono Mode</b></p> <p>Power-on Hold MFB for 4s(LED turns to white).</p> <p>Power-off Hold MFB for 5s(LED turns to red).</p> <p>Play Media in Both Units</p> <p>1. Master unit will auto enter pairing mode once power-on (LED flashes red and white slowly).</p> <p>2. On cellphone, activate Bluetooth facility then search for "inchor-M2_R" and tap to connect.</p> <p>3. The connection is done.</p>	<p><b>Mono Mode - Master Unit(R)</b></p> <p>Hold for 5s</p>	<p><b>Mono Mode - Slave Unit(L)</b></p> <p>Hold</p>	<p><b>Facilities in Mono Mode</b></p> <p>Power-on Hold MFB for 4s(LED turns to white).</p>	
<p><b>Reject Call</b></p> <p>Hold MFB for 1s to reject incoming call.</p>	<p><b>Switch Audio Output Between Earphone and Cellphone</b></p> <p>Tap MFB for 1s to switch audio output when answering call.</p>	<p><b>Play/Pause</b></p> <p>Tap MFB to play or pause when playing music.</p>	<p><b>Three-way Talking</b></p> <p>Activate call waiting facility on your phone(for more details please refer your phone's manual). If there is an incoming call at the same time, please press MFB to answer the call on the earphone.</p> <p>2. Suppose you have two incoming calls at the same time, the first one is answering while the second is holding, you may switch their statuses by double pressing MFB.</p>	<p><b>Charge for the Earphone</b></p> <p>LED will be solid red when charging and turn to blue once fully charged.</p>	<p><b>Features</b></p> <p>With the new 4.1 Bluetooth version, inchor-M2 brings you more HD experience.</p> <p>TWS style delivers true wireless stereo sound effect.</p> <p>Charging dock allows the device to be charged even when stored.</p>	<p><b>After Service and Support</b></p> <p>Warranty period: 12 months following the purchase date.</p> <p>Free service: Under warranty, if there is any breakdown caused by manufacturing defects, please contact our dealers to enjoy free maintenance. You will always need this warranty card and any receipt or other proof of purchase to claim warranty.</p> <p>Free maintenance won't be available under the following conditions:</p> <p>1. Without Warranty Card or intact maintenance label.</p> <p>2. Damage caused by improper disassembly or repair.</p> <p>3. Damage caused by dropping, impact, or dropping, and other artificial mechanical defects.</p> <p>4. Damage caused by any force majeure.</p>	<p><b>Lifespan:</b></p> <p>As the booklet states, the eco-lifespan of the item is 5 years while using in normal ways. During the period, no dangerous material will be leaked. The item must be recycled by the local law.</p> <p>5. If the headset cannot be found by your phone, please check whether the headset is connected to the phone. If left unconnected for a long while, the headset will exit pairing mode, please enter the mode, if a procedure error of your phone occurs, reboot it; if a procedure error of the headset occurs, reboot or reset it.</p> <p>6. If the two units can not connect with each other automatically when switched on. Please hold the MFB of both units until the white light is on then move them approaching each other and wait for the connection completed.</p>	<p><b>Caveats:</b></p> <p>1.Never disassemble or modify your headset for any reasons to avoid any damages and danger.</p> <p>2. Do not use the headset in extreme temperatures under 0°C or over 45°C.</p> <p>3. Avoid using the inductor close to the eyes of children or animals.</p> <p>4. Do not use this headset during a thunderstorm to avoid irregular function and increased risk of electric shock.</p> <p>5. Do not use harsh chemicals or strong detergents to clean the headset.</p> <p>6. Keep the headset dry.</p> <p>Notes: Please arrange using time properly since your hearing may be damaged by using the device for a long time.</p>	<p><b>For any after service, please contact customer service:</b></p> <p>Perform standard QHL-1-2016</p> <p>Website:inchor.cn</p> <p>Manufacturer: Shenzhen Incomm Technology CO.,Ltd.</p> <p>Address:Second Industrial Zone A24,Fuyong Street, Bao'an District, Shenzhen, City, China.</p>	<p><b>FCC STATEMENT :</b></p> <p>This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.</p> <p><b>NOTE:</b> The equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:</p> <p>Reorient or relocate the receiving antenna.</p> <p>Increase the separation between the equipment and receiver.</p> <p>Connect the equipment into a circuit different from that to which the receiver is connected.</p> <p>Consult the dealer or an experienced radio/TV technician for help.</p>	<p><b>CE RoHS</b></p>	<p><b>FCC ID:2AHR6-M2</b></p>
