

Identification of equipment Letter (Cfr. § FCC CFR47 2.295)

FCC ID: 2AHR8-GPS4X0

Product Name: OCTO SharePro 4, OCTO SharePro 4 R

According to the requirements of FCC CFR 47 §2.295(f), as the devices under consideration are so small that it is impractical to label it with the FCC Identifier in a font that is four-point or larger, and the device does not have a display that can show electronic labeling, we decide then to place the FCC Identifier in the user manual and also either be placed on the device packaging.
