ALFIE™

Voice-Controlled Intelligent Shopper
Quick Start Guide

Meet **ALFIE™** 

www.alfiefetch.com

ALFIE™ FETCHES WHAT YOU NEED WHEN YOU NEED IT.

Order products and get recommendations
with the touch of a button

Voice-controlled device helps find
and order the products you want

Access to a comprehensive and trusted
market of goods, merchandise and groceries

Simply press a button and speak your request

HOW DOES IT WORK?

Simply press the TALK button and tell Alfie what you need.
“Alfie, I need a gift recommendation for my friend's 30th birthday.”

“Alfie, fetch me laundry detergent.”

“Alfie, I'd like to buy a new toaster.”

“Alfie, I need a dozen organic eggs.”

Alfie will receive your request and reply within a short time directly to the Alfie device and the companion app. Alfie always looks for the best prices on items and never applies markups.

LET'S GET STARTED

- 1 Plug provided power adaptor into Alfie, then plug power adaptor into wall outlet.
- 2 Download the Kenmore Alfie™ app to your smartphone.
 
- 3 Open the app, select "Get Started" and follow the instructions on the screen to set up Alfie.
- 4 Sign in with your existing Shop Your Way account information, or sign up to create a new account.
- 5 Press and hold both buttons on the Alfie device simultaneously for 5 seconds until the light ring turns green.

App Store is a service mark of Apple Inc. iOS is a trademark or registered trademark of Cisco in the U.S. and other countries and is used under license. Android, Google Play and the Google Play logo are trademarks of Google Inc.

- 6 For iOS only: Go to wireless settings on your iOS device and select the network "Alfie"-XXX".
- 7 For iOS only: reopen the Kenmore Alfie app.
- 8 Select your wireless network from the list and enter the network password (if required).
- 9 Wait until Alfie connects to the network. When connected, the light will turn blue and a sound will be played.

That's it! Alfie is ready to go.

TROUBLESHOOTING ALFIE

[How do I restart Alfie?](#)

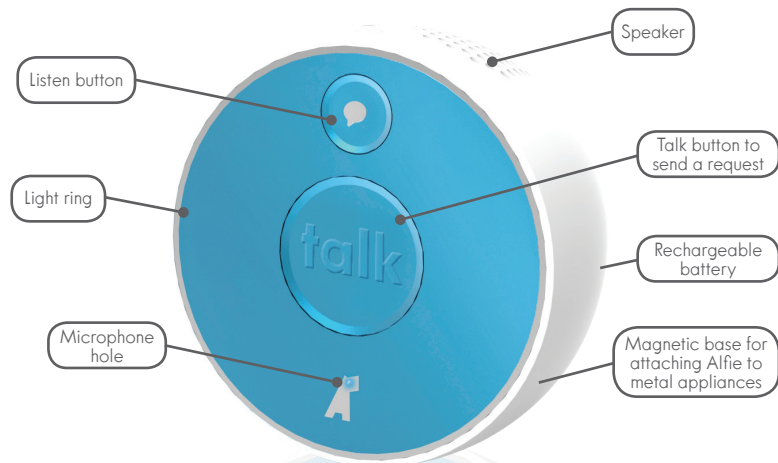

If Alfie freezes or experiences any other unexpected behavior, hold both buttons until the green LED turns on (configuration mode), then press and hold the small button. The device will perform a restart.

NOW, YOU'RE READY TO USE ALFIE™!

- 1** Send a request 
 - Tap the talk button to send a request. You will see the light ring indicating that Alfie is listening.
 - Tap to stop recording. The recording light will turn off.
 - Recording will stop automatically if you stop talking for more than 5 seconds.
 - Alfie will tell you the request has been received.
 - Alfie communicates using normal conversation. No special “computer” speak is needed. Just talk normally.
- 2** Receiving your responses 
 - When you receive a new response, the listen button will light up.
 - Tap to listen. The playback light will turn on, and all of your responses will be played in sequence.
 - Tap to stop listening. The playback light will turn off.
- 3** Responses are communicated audibly from Alfie and via the app on your smartphone, where you can also view photos.

NOTE: Alfie is rechargeable and has a built-in magnet. Alfie can be charged and attached to metal surfaces such as appliances as desired. Or Alfie can remain plugged with the provided power adaptor.
