Voice-Controlled Intelligent Shopper  
Quick Start Guide

Meet **ALFIE™** 

[www.alfiefetch.com](http://www.alfiefetch.com)

## ALFIE™ FETCHES WHAT YOU NEED WHEN YOU NEED IT.

Order products and get recommendations with the touch of a button

Voice-controlled device helps find and order the products you want

Access to a comprehensive and trusted market of goods, merchandise and groceries

Simply press a button and speak your request

## HOW DOES IT WORK?

Simply press the TALK button and tell Alfie what you need.  
"Alfie, I need a gift recommendation for my friend's 30th birthday."  
"Alfie, fetch me laundry detergent."  
"Alfie, I'd like to buy a new toaster."  
"Alfie, I need a dozen organic eggs."

Alfie will receive your request and reply within a short time directly to the Alfie device and the companion app. Alfie always looks for the best prices on items and never applies markups.

## LET'S GET STARTED

- 1 Plug provided power adaptor into Alfie, then plug power adaptor into wall outlet.
- 2 Download the Kenmore Alfie™ app to your smartphone.  
 
- 3 Open the app, select "Get Started" and follow the instructions on the screen to set up Alfie.
- 4 Sign in with your existing Shop Your Way account information, or sign up to create a new account.
- 5 Press and hold both buttons on the Alfie device simultaneously for 5 seconds until the light ring turns green.
- 6 For iOS only: Go to wireless settings on your iOS device and select the network "Alfie™-XXX".

Apple, the Apple logo and iPhone are trademarks of Apple Inc., registered in the U.S. and other countries. App Store is a service mark of Apple Inc.

iOS is a trademark or registered trademark of Cisco in the U.S. and other countries and is used under license.

Android, Google Play and the Google Play logo are trademarks of Google Inc.

- 7 For iOS only: reopen the Kenmore Alfie app.
- 8 Select your wireless network from the list and enter the network password (if required).
- 9 Wait until Alfie connects to the network. When connected, the light will turn blue and a sound will be played.

**That's it! Alfie is ready to go.**

### TROUBLESHOOTING ALFIE

#### How do I restart Alfie?

If Alfie freezes or experiences any other unexpected behavior, hold both buttons until the green LED turns on (configuration mode), then press and hold the small button. The device will perform a restart.

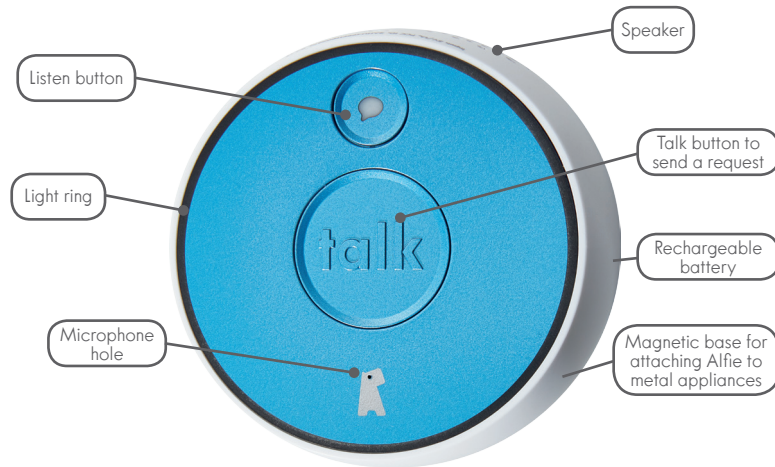

**This product contains a Lithium-Ion battery.** To reduce the risk of injury, user must read the Quick Start Guide and follow the Manufacturer's Instructions. Do not attempt to open product case, remove, change, destroy or disassemble the battery. **Risk of Fire and Burns. Do Not Crush, Heat Above 40 Degrees Celsius, or Incinerate.** Properly dispose of the product if the battery no longer accepts and holds a charge. Local, state or federal laws may prohibit disposal of batteries in ordinary trash. Consult your local waste authority for information regarding available recycling and/or disposal options.

## NOW, YOU'RE READY TO USE ALFIE™!

- 1** Send a request 
  - Tap the talk button to send a request. You will see the light ring indicating that Alfie is listening.
  - Tap to stop recording. The recording light will turn off.
  - Recording will stop automatically if you stop talking for more than 5 seconds.
  - Alfie will tell you the request has been received.
  - Alfie communicates using normal conversation. No special “computer” speak is needed. Just talk normally.
- 2** Receiving your responses 
  - When you receive a new response, the listen button will light up.
  - Tap to listen. The playback light will turn on, and all of your responses will be played in sequence.
  - Tap to stop listening. The playback light will turn off.
- 3** Responses are communicated audibly from Alfie and via the app on your smartphone, where you can also view photos.

**NOTE:** Alfie is rechargeable and has a built-in magnet. Alfie can be charged and attached to metal surfaces such as appliances as desired. Or Alfie can remain plugged with the provided power adaptor.
