

FCC ID LABEL AND LOCATION

FCC ID Label

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Label Material: 3M 7871 Thermal Transfer Polyester Label

Text printed with indelible ink

Proposed FCC ID Label Location

(a) EUT with clear dome installed

(b) EUT with clear dome removed

- FCC Label will be underneath the clear dome and applied to the metal plate surface highlighted by the green rectangle

- FCC statement will be placed on the bottom of the EUT highlighted in green. Label will be visible before mounting as a permanent fixture.
