WARNING

Fully dry off the earbuds before placing in the Huly dry on the canadas seems to charging case.

If the earbuds are damp or wet, this will cause damage to the charging case. The warranty will be voided if the charging case shows damage by

Do not deform the ear hooks.
The ear hooks are a flexible silicone but also have an internal hard structure for the antenna. Prying on the ear hook may break or damage the antenna.

- If you prefer to wear only one earbud, you must wear the right earbud as this is the main earbud connected to Bluetooth.
- Choosing the correct ear tip makes a significant improvement in audio quality due to the proper seal for the driver. Test all ear tips for best results.
- Only ONE Bluetooth device can be connected at a time. Turn off Bluetooth from unwanted devices and turn on Bluetooth from chosen device to connect.
