SIGNATURE
JLab C3™ signature sound with amplified vocals and bass

BALANCED
Even sound with no additional sound enhancements

BASS BOOST
Amplified bass and sub-bass

BLUETOOTH PAIRING NEW/ADDITIONAL DEVICES:
Follow the FIRST TIME SETUP with each additional device. The Flex Sport will remember up to 8 devices and will automatically connect to the last device that was previously paired. If multiple devices have been previously paired, simply turn OFF Bluetooth from unwanted devices and turn ON Bluetooth from chosen device to connect for next use.

TENSION BANDS

1 INSTALLING: Fold in the hinges and locate the locking channels on the headphone. Snap in the Tension Band on both sides. (Under each band lists FLEXFIT and FIRMFIT.)

2 REMOVING: Fold in the hinges and locate the Tension Band groove. Pull outward with your finger to unlock.

OPTIONAL HEADBAND PAD
Plug in the dual-lock on one of the dual channels from the inside headband. Repeat same location for other side.

REMOVABLE EAR PADS

Remove by holding the cushion and pull straight outward.

HAND WASH RECOMMENDED

MACHINE WASH

If machine wash, place ear pads in the provided travel case before cycle. Machine Wash Gentle/Delicates. Tumble Dry, No Heat.

CHARGING
White light will indicate charging and turn blue once fully charged.

Open the door below on the Flex Sport to connect to USB-C and charge from a USB input.

Note: Flex Sport is capable of charging when powered on or off.

US Compliance

FC
FCC Information
FCC ID: 2AHV-FLEXSPORT
This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

If you cannot eliminate the interference, the FCC requires that you stop using your product. Changes or modifications not expressly by the party responsible for compliance could void the user's authority to operate the equipment.
This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

EU Compliance

CE
JLAB AUDIO hereby declares that this device is in compliance with the essential requirements and other relevant provisions of the RED directives.
A copy of the EU Declaration of Conformity is available at jlabaudio.com/compliance

The symbol above indicates that this product and/or battery should not be disposed of with household waste. When you decide to dispose of this product and/or its battery, do so in accordance with local environmental laws and guidelines.

Battery Caution & Disposal Information
Please take care of your battery. Do not disassemble, burn, puncture, crush or bend your battery. Improper operation of the battery may produce smoke. In such an event, ventilate the area. Extinguish any flames with carbon dioxide, dry powder fire extinguisher, or cover with sand or mud. Take care to avoid conditions of excessive moisture for prolonged periods and do not immerse. Do not expose to temperatures above 50°C/122°F. Charge battery fully before storage or if stored for longer than three months.

Disposal
At the end of its life, please take care to dispose of this product responsibly. Electronic products and batteries contain materials that can be harmful to the environment. Please do not dispose to unsorted waste. Take your electronic waste to a designated collection or recycling facility to be recycled properly. Your local council authority will be able to tell you where your nearest facilities are. There may be one at your local supermarket.
