Subject: RADIO Certification of BOX0029

Applicant: TRAXENS

Product (PMN): BOX0029

Model (HVIN): BOX0029

FCC ID: 2AHZ6TRBV3

IC ID: 25616-TRBV3

TRAXENS - SA

Héliopolis III
16, rue Louis Leprince Ringuet
13013 Marseille
France

To Whom It May Concern:

SIRET : 750 626 871 00057
APE : 7490B
Bureau : +33 4 84 52 55 63

We would like to submit the above product for Certification concerning FCC and ISED rules for a new single certification.

Please review all required documents enclosed.

This application is for the BOX0029 device. This device is intended to equip shipping containers to ensure their geolocation and the traceability of parameters measured or detected around or inside the container. It is permanently attached to one of the container doors. Powered by non-rechargeable batteries, the device is designed to operate in complete autonomy for an estimated longevity of six years. The main difference with Traxens Box 2DR BOX0023 is the compliance to IEC-Ex directive for zone 2.

Compliance for RF exposure requirement is demonstrated in test report.

If you have any queries, please do not hesitate to contact us.

Regards,

Cedric Rosemont, CEO
