

Attn: Director of Certification

Cover letter regarding equipment authorization application for FCC ID: 2AHZ7-300602022

The applicant is seeking equipment authorization for a product to be used in a portable configuration and which has a Bluetooth Classic, a Bluetooth LE and a WLAN 2.4GHz radio. The product is a wearable emergency device. Test reports are being submitted with this filing showing compliance of these radios to the applicable rule parts.

Note that separately a Class II Permissive Change application is being filed to add a cellular module to this product as well.

Sincerely,

A handwritten signature in blue ink that reads "Martin Taylor".
