

Attn: Director of Certification

Cover letter regarding Class II Permissive Change application for FCC ID: 2AHZ7-R20082B00

The applicant is seeking equipment authorization for use of the cellular module with the FCC ID referenced above in a final product to be used in a portable configuration. The host product is a wearable emergency device. SAR testing has been performed on the host product and the SAR test report is included with this filing. Also, a test report showing compliance of the radiated spurious emissions of the radio module installed in the new host product is being submitted with this filing.

Sincerely,

A handwritten signature in blue ink that reads "Martin Taylor".
