1.0 INTRODUCTION

This User Guide is designed to guide you through the key functions and features of your new laptop. Please read carefully to ensure an optimal user experience and keep it handy for future reference.

NOTE:

To change from English language prompts to Spanish language prompts, please go to "Control Panel," then to "Clock, Language and Region," and then to "Language" to change from English to Spanish.

Overview and Notes

1.1 OVERVIEW

The new Direkt-Tek 14" Ultra Slim Laptop (DTLAPC14-1) features Windows 10, HD resolution screen of 1920 x 1080 and boasts a Quad Core Processor and up to 1.92 GHz. With the Ultra Slim Laptop you can access the web, news, local business information and the Windows Store, where you can download your favorite apps, games, movies and more! With the built-in Bluetooth function you can seamlessly pair your Ultra Slim Laptop with any Bluetooth compatible devices.

NOTES

- The Ultra Slim Laptop is a high-density electronic product. DO NOT attempt to disassemble the device.
- Please do not drop or bang the device.
- Avoid using this product in the following environments: Extremely hot or cold places, high humidity, dusty areas, direct sunlight or long-term exposure to the sun.
- The product may be cleaned with a damp cotton cloth; the use of any chemical cleaning fluid is prohibited. Please keep the product away from water at all times.
- If you use headphones, DO NOT use them while crossing the street, riding a bicycle or driving a motorcycle.
- Please use approved battery, battery charger and accessories only. The use of any other type of products would be a breach of warranty and may be dangerous.
- If you have any questions regarding the use of this product, please contact your local dealer or contact Direkt-Tek customer service center directly at CustomerService@direkt-tek.com or call (888) 999-1675.
- Direkt-Tek will not be held responsible for any files lost due to product damage, repair or other causes. Please be sure to follow instructions in the User Guide and backup your files in a timely manner.

FCC Statement

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Caution: Any changes or modifications to this device not explicitly approved by manufacturer could void your authority to operate this equipment.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

RF Exposure Information

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.
