

CLIQ CONNECT KEY labeling in USA / Canada market area:

CLIQ CONNECT KEY
FCC ID: 2A15J-CONNECT
IC: 21724-CONNECT

! Please note, that for technical reasons, the exact placement on the label area (red area on picture) may be changed. All FCC/IC information shall kept together.

Compliance/ Warning statements:

Because the key is small, it's not possible to affix statements to the device. For that reason, these markings are printed to the product manual.
