PREVIOUS/VOL- 3.Play/Pause, Hands-free call button, 4.NEXT/VOL+ 5.Mode switching 6.Micro SD card slot 7.Micro USB charging interface   <p style="text-align: right;">2</p>	<p>Power ON/OFF</p> <p>Long press the power switch for 2 seconds to power on/off.</p> <p>Bluetooth connection</p> <ol style="list-style-type: none"> 1,Turn on the Bluetooth speaker, the LED indicator flashes blue continuously while waiting for pairing. 2,Then active the Bluetooth of your phone and search for "GT-Q36". Click manually to connect. If the connection is successful, the LED indicator will turn steady blue. 3, Since the speaker can automatically reconnect to the last paired device, When the Bluetooth of your device turns on, (Just turn on the speaker), it will automatically reconnect. <p>Answer incoming calls</p> <p>Short press the Hands-free call button to answer incoming calls.</p> <p>Tip: Since some mobile phones default to answer calls via their own receiver, please refer to the instructions of your phone and set on your phone.</p> <p style="text-align: right;">3</p>	<p>End the call</p> <p>Short press the Hands-free call button once to end the current call.</p> <p>Refuse incoming calls</p> <p>Long press the Hands-free call button for 1 second to reject when there comes a call.</p> <p>Mode switching</p> <p>Short press the Mode switching . (Bluetooth, micro SD Card in,)</p> <p>Micro SD card mode</p> <p>Insert a micro SD card, the speaker will automatically recognize (with a voice prompt) and automatically broadcasts MP3 format music in it. (The Max storage of the micro SD card is 32GB).</p> <p>True Wireless Stereo (TWS) Fit for two GT-Q36 speakers</p> <p>You can connect two GT-Q36 speakers as a pair for stronger stereo and surrounding effect.</p> <ol style="list-style-type: none"> 1, Make sure the Bluetooth function is OFF on your Bluetooth player. <p style="text-align: right;">4</p>
<p>2, Turn on two speakers;</p> <p>3, Short press the switch button on one of the speakers (and it will be the main speaker) , both of speakers will enter TWS pairing status. Until LED of the main speaker flashes blue and the LED of the auxiliary speaker turns blue, the TWS connection is successful.</p> <p>4, Then active the Bluetooth of your phone and search for "GT-Q36". Click manually to connect.</p> <p>Volume adjustment</p> <ol style="list-style-type: none"> 1,Long press the "-"for VOL- 2,Long press the "+"for VOL+. <p>Music playing</p> <ol style="list-style-type: none"> 1, Short press the pause/play; 2,Short press the "-"for PREV; 3,Short press the "+"for NEXT. <p>Charging:</p> <ol style="list-style-type: none"> 1,As product has built-in non-removable and rechargeable battery, please use the provided micro USB cable to charge. 2,Charging voltage and current is 5V/1A, <p style="text-align: right;">5</p>	<p>PLS charge the speaker with the input power below 5V/1A.</p> <ol style="list-style-type: none"> 3,Please choose the charger that is certified by the regular manufacturer. 4, The battery performance may decrease as repeating charging and using the speaker. It's a normal phenomenon for all rechargeable batteries. 5, Charge if the LED indicator lights up red, and LED goes off upon charging finished. <p>Specification:</p> <p>Bluetooth version: V5.0 Dimension: about 47mm * H101mm Wireless working range: 10M (without obstacles)</p> <p>Speaker: 32mm Input voltage: DC5V/1A Output power: 5W Battery: 3.7V /1200mAh Playing Time: 8H (Medium volume) Charging time: About 4.5H Audio input: BT, micro SD Card in, Material: ABS + Fabric + Painting</p> <p style="text-align: right;">6</p>	<p>Warnings:</p> <ol style="list-style-type: none"> 1, Please follow the instruction to operate 2, PLS charge the product with input power below 5V/1A, in order to protect the battery. 3, Please do not use this product in the near water. Do not immerse this product in any liquid or splash any liquid on this product. 4, Please store or use the product in a normal temperature environment. 5, PLS keep the product from heat source, such as radiators, hot air regulators, stoves, or other heat generating instruments. As it is not anti-high temperature. 6, Don't jam the ports of the product, such as charger port, LED port and microphone etc., 7, In order to protect your hearing and extend the speaker service life, it is not recommended to adjust the volume to the maximum level for a long time. 8, Whatever reasons damage the product, please feel free to contact our after-sales staff in time rather than repair by yourself. Otherwise, you will accept without after-sales service. <p style="text-align: right;">7</p>	<p>FCC WARNING</p> <p>This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.</p> <p>NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:</p> <ul style="list-style-type: none"> —Reorient or relocate the receiving antenna. —Increase the separation between the equipment and receiver. —Connect the equipment into an outlet on a circuit different from that to which the receiver is connected. —Consult the dealer or an experienced radio/TV technician for help. <p>The device has been evaluated to meet general RF exposure requirements. The device can be used in portable operation without restriction.</p>  <p style="text-align: right;">www.havit.hk</p> <p style="text-align: right;">8</p>
