

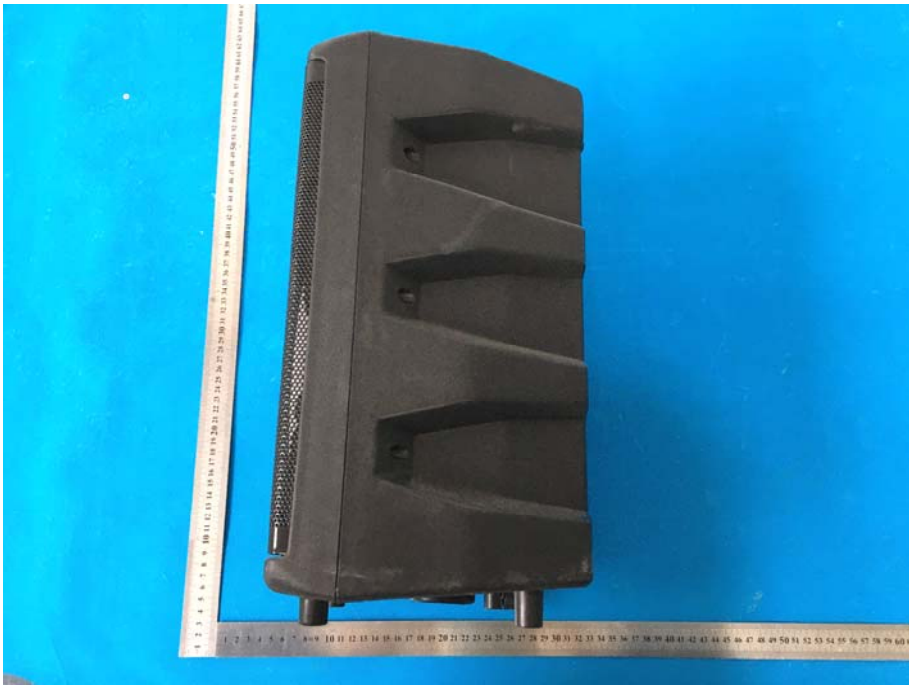

## EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

<p><b>EUT View 1</b></p>	 A photograph of a black rectangular speaker with a circular mesh grille. The brand name "DOLPHIN" is printed on the bottom of the grille. To the right of the speaker is a black power adapter with a cable. A metal ruler is placed horizontally below the speaker and adapter for scale. The background is a solid blue color.
<p><b>EUT View 2</b></p>	 A close-up photograph of the same black speaker, showing the circular mesh grille and the "DOLPHIN" logo. A metal ruler is placed horizontally below the speaker for scale. The background is a solid blue color.

<p><b>EUT View 3</b></p>	 A side view of a black, rectangular electronic device. The device has a textured mesh on the left side and three horizontal slots on the right side. A ruler is placed vertically to the left of the device for scale, showing measurements in centimeters. The background is a solid blue color.
<p><b>EUT View 4</b></p>	 A front view of the same black electronic device. The front panel features a small red display screen at the top, followed by several control knobs and buttons. A ruler is placed horizontally below the device for scale, showing measurements in centimeters. The background is a solid blue color.

<p><b>EUT View 5</b></p>	 A side view of a black, rectangular electronic device. The device features three horizontal, recessed compartments stacked vertically. Each compartment has a small circular hole on its right side. The bottom of the device has four small protrusions. A ruler is placed horizontally below the device for scale, showing measurements in centimeters. The background is a solid blue color.
<p><b>EUT View 6</b></p>	 A top-down view of the same black electronic device. It shows a rectangular shape with a central, recessed rectangular area. The device is positioned on a blue background. A ruler is placed horizontally below the device for scale, showing measurements in centimeters.
