Solder Board-Component View 8	 A photograph of a small, irregularly shaped green printed circuit board (PCB) component. The component has a central rectangular cutout and two small circular holes. It is positioned on a blue textured surface. A black ruler with white markings is placed horizontally below the component, showing measurements in millimeters. The ruler is oriented vertically in the image, with the 0 mm mark at the top and the 100 mm mark at the bottom. The component is located between the 10 mm and 20 mm marks on the ruler.
Solder Board-Component View 9	 A photograph of a small, rectangular black PCB component. The component has a central rectangular cutout and two small circular holes. It is positioned on a blue textured surface. A black ruler with white markings is placed horizontally below the component, showing measurements in millimeters. The ruler is oriented vertically in the image, with the 0 mm mark at the top and the 100 mm mark at the bottom. The component is located between the 10 mm and 20 mm marks on the ruler.
