Solder Board-Component View 14	 A photograph of a small electronic component, likely a solder mask or a small PCB, placed on a blue textured surface. The component is rectangular with a black solder mask and a white label. It is positioned next to a black ruler with white markings. The ruler has two scales: a vertical scale on the left (0 to 100 mm) and a horizontal scale on the top (0 to 50 mm). The component is located at approximately 10 mm on the vertical scale and 10 mm on the horizontal scale.
Solder Board-Component View 15	 A photograph of the same electronic component as in View 14, but from a different angle. The component is rectangular with a black solder mask and a white label. It is positioned next to a black ruler with white markings. The ruler has two scales: a vertical scale on the left (0 to 100 mm) and a horizontal scale on the top (0 to 50 mm). The component is located at approximately 10 mm on the vertical scale and 10 mm on the horizontal scale.
