

Solder Board-Component View 22	 A photograph of a black printed circuit board (PCB) with gold-plated edges and mounting holes. The board is populated with various electronic components, including integrated circuits, capacitors, and resistors. A large chip in the center is labeled 'P-SL20'. The board is resting on a blue textured surface.
Antenna View	2.4GHz + 5GHz WIFI Antenna  A photograph showing a small, rectangular, orange and black antenna component. A red line points from the text '2.4GHz + 5GHz WIFI Antenna' to the antenna. Below the antenna is a small PCB with a silver rectangular component. A black ruler with white markings is placed vertically and horizontally for scale. The background is a blue textured surface.
