Re: FCC ID: 2AIGCWFB004

To Whom It May Concern:

The following application is submitted on behalf of our client, Mitsubishi Electric US, Inc., for evaluation of their model PAC-USWHS002-WF-2 for a new certification under FCC Part 15.247.

The device is a wireless HVAC controller.

I have reviewed the application and supporting documentation and have found them to comply with FCC requirements. I recommend this application for certification.

Yours sincerely
