Re: Change of Identification Authorization, FCC ID: **X3ZBTMOD8**

Effective Date: 5 October 2016

To Whom It May Concern:

This letter grants authorization for representatives of AWIRE Technology Corp to apply to the FCC for a change in identification as specified under 47CFR2.933 of the FCC rules.

This authorization applies to the Amp'ed RF Technology:

Model: BT53
FCC ID: X3ZBTMOD8

originally issued 1/29/2015.

We are aware that AWIRE Technology Corp intends to use the above referenced product in their own product, under their own FCC ID: 2AIGO-AWMOD8. Thank you.

This authorization shall expire in 90 (ninety) days from the effective date.

Sincerely,

A handwritten signature in black ink, appearing to read "Annie Cai".
