

Declaration Letter of Changing ID

February 9, 2017

UL Japan, Inc.
4383-326 Asama-cho, Ise-shi,
Mie 516-0021 Japan

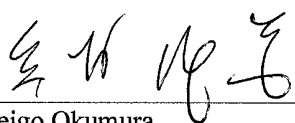

We Mono Wireless Inc., are requesting a change of ID grant for original FCC ID: Z7W-L1 and we will be identifying it with FCC ID: 2AINN-L1.

The equipment is electrically identical and the new product version is identical to the certified product. The module manufacturer is currently the same. However we may be the manufacturer in the future. The original test results are applicable and representative of this changed device. Only the product name and FCC ID are different. Meanwhile we submit the following documents. The documents on file with Federal Communications Commission from the original certification remain unchanged and continue to be valid except for these documents.

<input type="checkbox"/>	Test Report
<input checked="" type="checkbox"/>	External Photo
<input type="checkbox"/>	Internal Photo
<input checked="" type="checkbox"/>	User Manual
<input checked="" type="checkbox"/>	Label drawing/ location
<input type="checkbox"/>	Block Diagram
<input type="checkbox"/>	Specification
<input type="checkbox"/>	Schematic Diagram
<input type="checkbox"/>	Parts List

Thank you for your attention to this matter.

Sincerely,

Seigo Okumura
Mono Wireless Inc.
