WATER RESISTANT PORTABLE SPEAKER

Pairing the atomi shower speaker.

To listen to your music over Bluetooth® wireless connection, you need to pair your device with the atomi shower speaker.

- 1. Make sure your device has Bluetooth® capability.
- 2. Press and hold power button for 5 seconds; indicator will begin to flash.
- 3. Follow the instructions of your device to pair the unit.
- 4. Pair your device by selecting Shower Speaker from your Bluetooth® listings on your device or selecting YES.
- 5. Press play on your device and use controls on the unit to adjust desired volume.

· Once you have successfully paired your device, you may not need to repeat the above steps.

- When pairing with a computer, please consult your computer manufacturer for Bluetooth® pairing instructions and/or the latest Bluetooth® Drivers.
- Keep all non-water-resistant devices (phones, mp3 players, etc.) in a dry place where they will not come in contact with water.
- · A pairing code is not required.
- The atomi Shower Speaker will automatically power off after 2 minutes of inactivity.

Built in Speakerphone

The atomi Shower Speaker is equipped with a built-in speakerphone, for easy hands-free talking:

- 1. Make sure the atomi Shower Speaker is successfully paired with your device.
- 2. To answer or end a call, simply press any button.
- 3. To reject an incoming call, press and hold (5 sec.) any button.

When an incoming call is detected, the atomi Shower Speaker will pause the music and a ringtone will sound. After the call is terminated, the music will resume to play automatically where it left off. When making a call, use your phone to dial and the atomi Shower Speaker will automatically go into hands free mode.

Maintenance

Only use a soft dry cloth to clean the enclosure of the unit. NEVER use liquids or abrasive cleaner to clean.
