

PRODUCT SPECIFICATION

Peak Power 900 Watts
 Max Output SPL 121dB
 Frequency Response 40-20kHz
 Column Speaker 6 x 2.75 inch custom design
 Sub Speaker8 inch custom design
 Sub/Mixer Unit Weight 29.5 pounds (13.4 kg)
 Sub/Mixer Unit Dimensions 13.4x16x15.75 inches
 (340x406x400 mm)
 Upper Column Weight 6.4 pounds (2.9 kg)
 Upper Column Dimensions4x32x3.55 inches
 (102x812x90 mm)
 Lower Column Weight 5.3 pounds (2.4kg)
 Lower Column Dimensions 4x32.5x3.55 inches
 (102x826x90 mm)
 Channel 1 Input Mic/Guitar/Line compatible,
 XLR and 1/4-inch TS
 Channel 2 Input Mic/Guitar/Line compatible,
 XLR and 1/4-inch TS
 Channel 3 Aux Input Unbalanced stereo
 -10dB 1/8-inch TRS
 Channel 3 Left/Mono Input Balanced mono/stereo
 -10dB 1/4-inch TRS
 Channel 3 Right Input Balanced mono
 -10dB 1/4-inch TRS
 LINK IN Balanced +4dB XLR
 OUT Balanced +4dB XLR
 Power/Clip LEDs White/Red
 Power Input 100-240V ~50/60 Hz switchable, 250W
 Included Accessories Column carry bag, IEC power cable

2 Year Harbinger Limited Warranty
 Harbinger provides, to the original purchaser, a two (2) year limited warranty on materials and workmanship on all Harbinger cabinets, loudspeaker and amplifier components from the date of purchase.

For warranty support, please visit our website at www.HarbingerProAudio.com, or contact our Support Team at 888-286-1809 for assistance. Harbinger will repair or replace the unit at Harbinger's discretion.

This warranty does not cover service or parts to repair damage caused by neglect, abuse, normal wear and tear and cosmetic appearance to the cabinetry not directly attributed to defects in materials or workmanship. Also excluded from coverage are damages caused directly or indirectly due to any service, repair(s), or modifications of the cabinet, which has not been authorized or approved by Harbinger. This two (2) year warranty does not cover service or parts to repair damage caused by accident, disaster, misuse, abuse, burnt voice-coils, over-powering, negligence, inadequate packing or inadequate shipping procedures.

The sole and exclusive remedy of the foregoing limited warranty shall be limited to the repair or replacement of any defective or non-conforming component. All warranties including, but not limited to, the express warranty and the implied warranties of merchantability and fitness for a particular purpose are limited to the two (2) year warranty period. Some states do not allow limitation on how long an implied warranty lasts, so the above limitation may not apply to you. There are no express warranties beyond those stated here. In the event that applicable law does not allow the limitation of the duration of the implied warranties to the warranty period, then the duration of the implied warranties shall be limited to as long as is provided by applicable law. No warranties apply after that period.

Retailer and manufacturer shall not be liable for damages based upon inconvenience, loss of use of product, loss of time, interrupted operation or commercial loss or any other incidental or consequential damages including but not limited to lost profits, downtime, goodwill, damage to or replacement of equipment and property, and any costs of recovering, reprogramming, or reproducing any program or data stored in equipment that is used with Harbinger products. This guarantee gives you specific legal rights; you may have other legal rights, which vary from state to state.

FCC STATEMENTS

- Caution: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
- Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generate, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
 - Reorient or relocate the receiving antenna
 - Increase the separation between the equipment and receiver
 - Connect the equipment into an outlet on a circuit different from that to which the receiver is connected
 - Consult the dealer or an experienced radio/TV technician for help
