Model Difference Statement

Current Date: 2019/12/26

FEDERAL COMMUNICATIONS COMMISSIONS

Authorization and Evaluation Division

7435 Oakland Mills Road

Columbia, MD 21046

FCC ID: 2AIVJ-FPAC41

We, Sierra Monitor Corporation hereby declare that product name: M2M Gateway, multi-listing model number: FPA-C42, FPA-C41-XXXX, FPA-C42-XXXX (where X can be used as "0-9" for application software changes or marketing purposes only. And the difference of application software changes will not affect the power and other RF parameters.) is (are) electrically identical to test model number: FPA-C41 (such as layout of PCB, schematics, board layout, and internal structures etc.).

We declare that the products above are electrically identical, only difference in model number and software but the software changes will not the power and other RF parameters.

We guarantee all information above-mentioned is true, and notice that we'll bear all the consequences caused by any false information or concealing

Note: The definition of identical should be "electrically identical". A device will be considered to be electrically identical if no changes are made to the device's schematics, board layout, component layout, chip sets, resistors and all other electrical aspects of the device.

Sincerely,

Client's Signature
