

Declaration of statement

We

Name: INFINIX MOBILITY LIMITED.

Address: RMS 05-15, 13A/F SOUTH TOWER WORLD FINANCE CTR HARBOUR CITY 17 CANTON
RD TST KLN HONG KONG

Declare that:

X556 to be approved as U-NII client devices without radar detection capability is compliant with all the general requirements of clients as specified in Section 15.202, in addition to the appropriate technical requirements of Part 15 Subpart E. According to the requirements of Section 15.202, X556 must rely on a master device to initiate a network. This requires that X556 cannot initiate, or be configured to initiate, any transmissions including transmissions from probes, beacons or support ad-hoc modes (or other peer to peer modes) of operation without permission from an approved master device with radar detection capability.

Authorized to apply for Certification of the following product(s):
