Subject: User Manual Pending Approval

To Whom It May Concern:

We, **Pratt & Whitney Engine Services, Inc., 249 Vanderbilt Avenue, Suite 100, Norwood, MA 02062**, due hereby declare that the user manual for the following devices is currently going through an update and a related document approval process.

Manufacturer: Pratt & Whitney Engine Services.
Models: FAST-A-010-3 / FAST-A-010-4
FCC ID: 2AJ6A-FAST34F
IC: 22451-FAST34F

The Draft **Monitor Transfer Module Help Manual** submitted as part of this filing and the statements to the user as reflected in the document reflect the statements that will be contained in the final manual upon document approval. This user manual is expected to complete approval in January 2020.

Sincerely,

Jonathan Miller,

Airborne Development & Certification Engineering Lead
