Subject: Request for Confidentiality  
**FCC ID: 2AJ6F24504225**

To Whom It May Concern,

Pursuant to the provisions of Sections 0.457 and 0.459 of Commission's rules (47CFR0.457, 0.459), we are requesting the Commission to withhold the following attachment(s) as confidential document from public disclosure indefinitely.

- Schematic Diagram/Circuit Diagram
- Block Diagram
- Parts List/Bill of Materials
- Circuit Description/Operational Description/Theory of Operation

The above mentioned documents are not publicly available and contain detailed system and equipment descriptions which are proprietary information in connection with the operation of the equipment. The public disclosure of the above documents would be harmful to our company and would give our competitors an unfair advantage in the market.

It is our understanding that all measurement test reports, FCC ID label format and correspondence during the certification review process cannot be granted as confidential documents and that information will be available for public review once the grant of equipment authorization is issued.

Yours Sincerely,

**Evenflo Company, Inc.**
