

**ZKT<sub>ECO</sub>**

## Smart Identification Terminal

Model: WL30

Input: DC 5V $\Rightarrow$ 800mA

Operating Temperature: 0 $^{\circ}$ C–45 $^{\circ}$ C

Operating Humidity: 20%–80%

FCC ID: 2AJ9T-WL

Made in China

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:  
1. This device may not cause harmful interference, and  
2. This device must accept any interference received, including interference that may cause undesired operation.
