OUTLIER® AIR V3

TRUE WIRELESS SWEATPROOF IN-EARS WITH TOUCH CONTROLS

What is Super X-Fi?

- Recreates a professional, multi-speaker system experience in your headphones
- Personalizes your headphone audio experience via Head & Ear-Mapping process
- Hear sounds naturally like how it's meant to be heard

What are Super X-Fi READY headphones?

Super X-Fi READY headphones are certified headphones that are specially-tuned for optimum performance with apps (such as SXFI App) or devices that has built-in Super X-Fi technology. With Super X-Fi READY headphones, you can enjoy a preview of Super X-Fi headphone holography on local content stored on your phone* via SXFI App. *Does not work with third-party streaming apps such as Spotify, Tidal, YouTube, and Netflix

Download SXFI App

Personalize your Super X-Fi profile and enjoy a preview of Super X-Fi technology via the SXFI App.

To experience Super X-Fi technology on any apps or platforms, try our range of headphones and amp with built-in Super X-Fi technology.

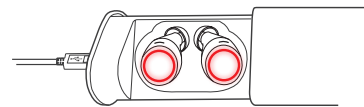

OUTLIER® AIR V3

TRUE WIRELESS SWEATPROOF IN-EARS WITH TOUCH CONTROLS

Charge Me First

For an optimum experience, charge both earbuds and charging case first!

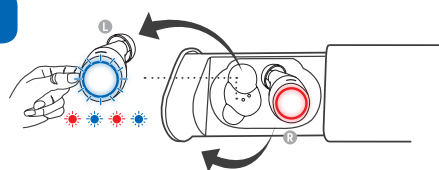

Note: Make sure that the earbuds are firmly placed and LEDs are glowing red before closing the charging case

First-time Pairing

Step 1

Start by removing the left earbud, followed by the right earbud from the charging case.

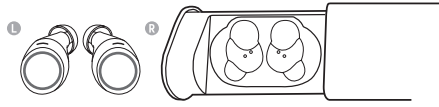

Step 2

Turn device's Bluetooth® on, then tap on the left earbud's name on screen to pair. The right earbud will prompt on your device to pair after.

Step 3

Both earbuds will now automatically connect to each other!

Enjoy! For more info, visit creative.com/support/outlierairv3
