RE: Request for Confidentiality for FCC ID: 2AJJ5-CHRONOS

To whom it may concern,

Becton, Dickinson and Company ("BD") hereby respectfully requests under the provisions of 47 CFR 0.459 and 0.457(d) of the FCC Rules that the documents listed below and attached with this application for certification be provided with Long-Term Confidentiality status:

- Schematics
- Block Diagrams
- Operational Description

BD has spent substantial effort and cost developing this product and it is one of the first of its kind in the industry. This information is not publically available. The public disclosure of this information, even after the product is on the market, would give BD's competitors an unfair competitive advantage and cause BD commercial and financial hardship.

Sincerely,

A handwritten signature in black ink, appearing to read "Noel Harvey", written in a cursive style.
