Room 1, No.3 Building, NO.295, Qianqiao Road, Fengxian District, Shanghai

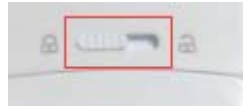

Tel: 17765117858

Statement

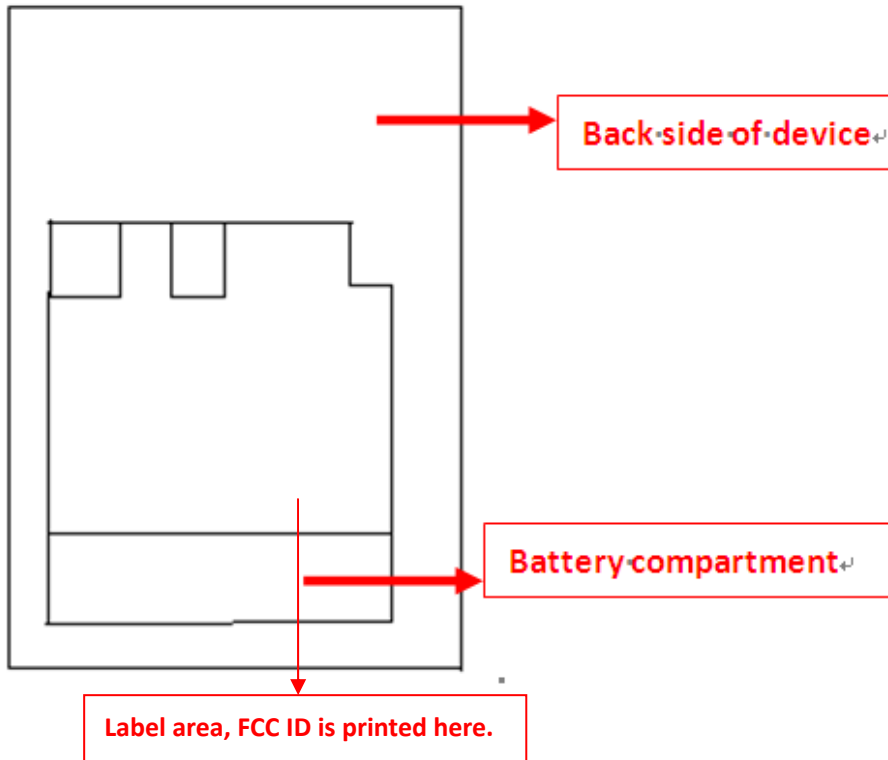

We, **Shanghai SmartPeak Technology Co.,Ltd.** requests acceptance of the labeling proposal described below for mobile phone bearing FCC ID: 2AJMSC6000

It's very easy to see the label, as you just need to take off back shell via nail.
Please refer to the picture 1, there is a small slip sheet on the edge of phone's back shell.

Picture 1:

The label will be put under the battery compartment so that it is visible to the users as they purchase the products and take off the battery refer to picture 2

Picture 2:

Signature:

A handwritten signature in black ink, appearing to read 'Yujuan', written in a cursive style.
