Dear Sir/Madam,

We, Edco Electronics Inc ., FCC ID:2AJMW-BTWS250-A, hereby submits justification for placing the FCC ID label to the charging box. According to the FCC Regulation and Guidance (KDB Publication 784748 D01 v09R01) allows for the FCC to be removed to charging box if the device is unquestionably too small for the FCC ID label to be printed.

The measurement of headset: Length (20mm)*Width (17mm)*High (45mm), label: Length 20(mm)*Width10(mm), charging box:59(mm)*47(mm)*24(mm).Refer to the above quote, as the headset are too small for the FCC ID label to be printed, so the FCC ID label will be moved to the charging box. For details, please see below photos:

Sincerely,

Printed name: Jonathan Lee
