The Netherlands

Subject: Requesting Class II permissive change for FCC ID: 2AJN7-LN500CG3

To Whom It May Concern:

We, LC Future Center hereby declare that the intention of this Class II Permissive Charge is to add a WLAN certificated module (FCC ID: TX2-RTL8822CE, Model: RTL8822CE / Brand: Realtek) to the certified System which was originally granted on 04/29/2021 under FCC ID: 2AJN7-LN500CG3

The modules mentioned above have been approved and are electronically and mechanically identical to the original instructions and requirements. Therefore, we, LC Future Center take the responsibility to ensure each module complied with all requirements after integration in the host and when modules are transmitting simultaneously

Please contact me if you have any questions or need further information regarding this application.

Best Regards
