Haga garantie (bilaga 2/2)

Please keep for purchasing the product.

For the product you have purchased, we guarantee that the date of delivery will be at least 12 months from the date of purchase. If the product has any quality problems during normal use within this period, it will be repaired or replaced free of charge. This guarantee does not affect your statutory rights.

If you experience any problems with the product, please contact the dealer where you bought it or the service department in the nearest Philips distributor. The distributor will provide individualized service and support.

Changes can be made by altering the product in a fair and honest atmosphere, without causing damage to the product.
