RE: Confidentiality request for (**Vaxis wireless video system / Vaxis Atom 500 SDI TX**

/2AJOF-ATOM500SDI-TX) To Whom It May Concern:

This letter serves as an official request for confidentiality under sections 0.457 and 0.459 of CFR 47. We have requested that the **(Block Diagram, Schematic diagram, Operational Description)** required to be submitted with this application be **permanently** withheld from public review.

These documents contain detailed system and equipment description and related information about the product which **Hunan GM innovation technology co.,Ltd** considers to be proprietary, confidential and a custom design and otherwise would not release to the general public. Since the design is a basis from which future technological products will evolve, **Hunan GM innovation technology co.,Ltd** considers that this information would be of benefit to its competitors and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Please contact me if there is any information you may need.

Sincerely,
