Declaration

To whom it may concern,

This is to certify that the product with **FCC ID: 2AJOTTA-1111** is equipped with a WLAN/Bluetooth combined antenna. The inherent WLAN/Bluetooth co-existence mechanism ensures that the WLAN and Bluetooth transmitters would not simultaneously operate. Therefore, the WLAN and Bluetooth antennas in **FCC ID: 2AJOTTA-1111** should not be considered to be able to transmit simultaneously.

Though the users can use WLAN and Bluetooth simultaneously, the real situation is that WLAN and Bluetooth are used by time sharing multiplexing and no overlap transmission happens.

Should you have any question, please don't hesitate to contact me.

Sincerely yours,
