

## Declaration

FCC ID: 2AJOTTA-1558,2AJOTTA-1542

We declare that there are only the following manufacturer of key parts is different between the first and second supply, other parameters are the same

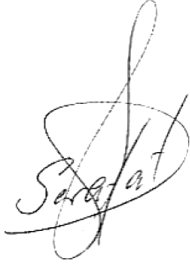

| component    |                  | First supply |                                    | Second supply    |                                    |
