➤ **Back Key**

Press Back key to go back to previous menu.

➤ **Power Key**

Short press on the Power key shall lock the screen and a long press on the Power key shall switch on/off the device.

### **III. Start to use**

#### **1 Insert SIM card**

The phone is a Dual SIM mobile phone allowing you to use the facility of two networks. To insert SIM card(s):

1. Switch off the mobile phone and remove the rear cover and battery.
2. Insert the SIM card correctly in the card slot(s)
3. Finally insert the battery and replace the rear cover of the mobile phone.

#### **2 Insert Memory card**

1. Power off the mobile phone and remove the rear cover and battery.
2. Insert the Micro SD card into the slot.
3. Finally insert the battery and the rear cover of the mobile phone.

Note: Use only compatible memory cards for use with this device. Incompatible memory cards may damage the card or the device and corrupt the data stored in the card.

#### **3 Charge the battery**

During charging, the battery indicator on the phone is a thunder icon. If the device is switched

off during charging, there will still be a charging indication on the screen that shows the phone is being charged. If the device is overused --when the battery is low, the charging icon might take some time to appear.

When the battery indicator on the screen says ' charged', thunder icon will disappear, which means the completion of charging. During charging, the battery, the device and the charger will get hot. This is normal.

Unplug the charger from the AC electrical outlet and disconnect the wiring between the phone and the charger after charging. .

**Cautions:** Charge the phone in a well ventilated place in which the temperature is between  $-10^{\circ}\text{C}$  to  $+55^{\circ}\text{C}$ . Use the charger provided by the manufacturer only. The use of unconfirmed charger may lead to dangers and violate the manufacturer's warranty clause. If the temperature is too high or too low during charging, the device will automatically send a warning and stop charging to avoid damage to the battery or any danger.

**FCC Warning:**

Any Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
