Note: It will auto turn off if disconnect for 5min</li></ul> <p><b>•PAIRING THE EARBUDS WITH YOUR SMARTPHONE</b></p> <ul style="list-style-type: none"><li>•The earbuds will turn on once they are taken out from the charging case, or press and hold the MF button for 3 seconds of both earbuds to turn on them.</li><li>•Once the power is on, a RED and BLUE LED will start blinking on both of the earbuds. Both of the earbuds will then automatically pair with each other within 5 secs.</li><li>•Once they are paired with each other, one of the earbuds would show a RED and BLUE LED blinking alternatively, which means they are ready to pair with your smartphone.</li><li>•Now switch on Bluetooth in your smartphone to search for nearby devices and pair with the name "IJOY LIGHTNING" after the pairing is successful, the earbuds LED light will turn off. (The earbuds will re-connect with smartphone automatically after pairing if they have connected before )</li></ul> <p>Note: The Left or Right earbud can be used alone to pair with your smartphone.</p>	 <p>LED Indicator MIC Multi-Function Button (MF Button) Charging Contacts Speaker</p>	<p><b>•BATTERY CAUTION</b></p> <p>The battery used in this device may present a risk of fire, explosion or chemical burn if used incorrectly. Never use or charge the battery if it appears to be leaking, discolored, deformed or in any way abnormal. Never disassemble the unit or attempt to remove the battery as that could cause leakage of alkaline solution or other electrolytic substances. Never expose the battery to any liquid. Never expose the battery to excessive heat such as direct light or fire. Always keep the battery out of the reach of infants and small children.</p> <p><b>•BATTERY DISPOSAL</b></p> <p>Please do not attempt to change the battery yourself. If the battery has died, you should follow the disposal instructions listed here. Never dispose of used batteries/electronics with ordinary solid wastes. Always dispose of used batteries/electronics in accordance with the prevailing community regulations that apply to the disposal of batteries/electronics. If there are no local regulations concerning battery/electronics disposal, please dispose of the device in a waste bin for electronic devices. Many electronics retailers now recycle batteries and other electronic components at no charge.</p>
