

Dismissal letter

To whom it may concern,

Due to a typing error made by another grantee (MMOTION ELECTRONICS (HK) LIMITED / Grantee code: 2AJWU) at the time of application – instead of filling-in their own grantee code 2AJWU, they filled-in our grantee code 2AJUW – this application has been consequently wrongly filed by the TCB Phoenix Test lab with our grantee code.

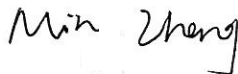

This product with the FCC ID: 2AJUW-3229BT does not belong to our company and has not been and will not be marketed with this FCC ID.

Therefore, we would like with support of Phoenix Test lab to request a dismissal of this application to solve this issue and remove the filing from the database.

Thank you very much for your cooperation.

Best regards,

Min Zheng,
