Information on the change of name of Continental Automotive GmbH to "Continental Automotive Technologies GmbH"

Dear ladies and gentlemen,

as part of the adjustments, the business activities of Continental Automotive GmbH and Continental Teves AG & Co. oHG were merged into a new company - "Continental Automotive Technologies GmbH" - on 1 July 2022.

As a result, the contracts and/or agreements currently existing with Continental Automotive GmbH and/or Continental Teves AG & Co. oHG will be transferred to Continental Automotive Technologies GmbH. Legally, this will take place by way of universal succession, i.e. no consent to the transfer of contracts is required.

In this context we would like to inform you herewith about important information for the business relations with "Continental Automotive Technologies GmbH".
