

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	
EUT View 2	

EUT View 3	 A photograph of a white, rectangular electronic device, likely a power adapter or a small power supply unit. The device has a power outlet on the front face and a small antenna on the side. It is placed next to a black ruler with white markings for scale. The ruler shows measurements in centimeters and millimeters. The device is positioned vertically, and the ruler is placed horizontally next to it.
EUT View 4	 A photograph of the same white, rectangular electronic device from a different perspective. The device is shown from a slightly elevated angle, highlighting its rectangular shape and the power outlet. It is placed next to a black ruler with white markings for scale. The ruler shows measurements in centimeters and millimeters. The device is positioned horizontally, and the ruler is placed vertically next to it.

EUT View 5	 A photograph of a white rectangular electronic unit (EUT) from a top-down perspective. The unit has a circular power outlet with two vertical slots and a ground symbol on the left. A small USB port is visible on the right side. The unit is placed on a blue surface next to a black ruler with white markings in millimeters and centimeters.
EUT View 6	 A photograph of the same white rectangular electronic unit from a side-on perspective. The unit is shown at an angle, revealing its thickness. The power outlet and USB port are visible on the top surface. The unit is placed on a blue surface next to a black ruler with white markings in millimeters and centimeters.
