

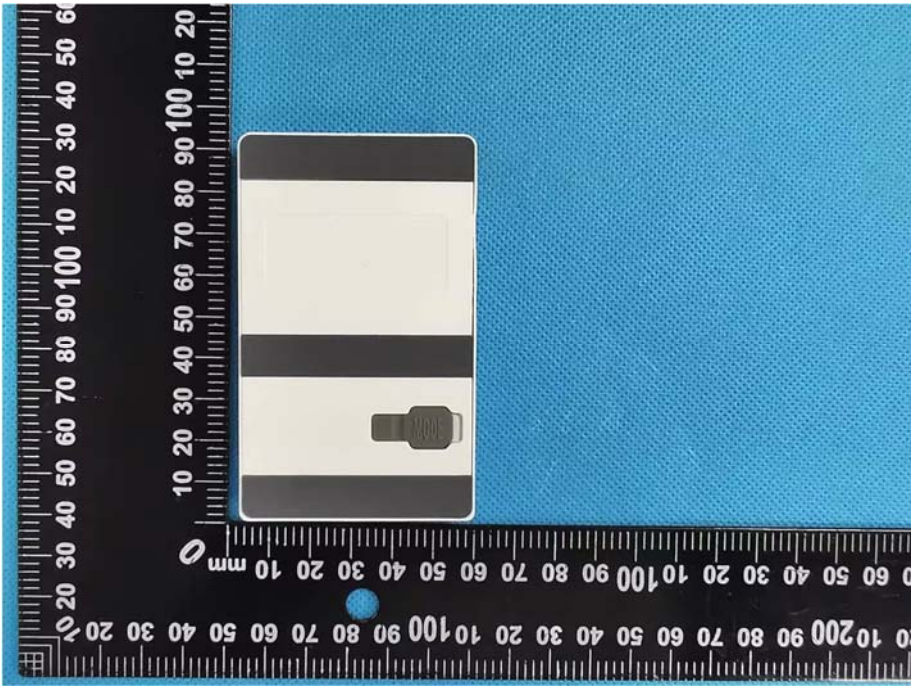

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A photograph of a white rectangular external unit (EUT) with a red 'AsReader' label and a coiled white cable with a black connector. The device is placed next to a ruler for scale. The ruler shows measurements in centimeters and millimeters. The device is positioned vertically, and the cable is coiled to its right.
EUT View 2	 A photograph of the same white rectangular external unit (EUT) with a red 'AsReader' label, placed next to a ruler for scale. The ruler shows measurements in centimeters and millimeters. The device is positioned vertically, and the cable is not visible in this view.

EUT View 3	
EUT View 4	

EUT View 5	 A photograph of a white, rectangular electronic device (EUT) from a top-down perspective. The device has a red label on the left side and a circular logo on the right side. It is placed on a blue textured surface. A black ruler with white markings is positioned below the device, showing measurements in centimeters.
EUT View 6	 A photograph of the same white, rectangular electronic device (EUT) from a different perspective, showing the front face. The device has a red label at the top and a circular logo below it. It is placed on a blue textured surface. A black ruler with white markings is positioned below the device, showing measurements in centimeters.
