## FCC Ferrite Attestation

To the FCC and the FCC TCB handling this application for certification

We (the applicant / grantee)

Kinestral Technologies Inc  
3955 Trust Way  
Hayward, CA

Issue this letter of attestation in regards to the use of a ferrite bead for:

- FCCID - 2AJXY-GW100

The ferrite bead was used in order to pass the testing and we attest that it will be installed and ship with the product.

Ferrite Information:

Laird Technologies P/N 28A2025-0A2  
Kinestral Technologies P/N 110-00094

Sincerely,

Paul Nagel  
Senior VP, Product Development  
Kinestral Technologies Inc  
3955 Trust Way  
Hayward, CA 94545
